

# *High Notes Music League*

*Proud Leader of Children's Music Education*

High Notes Music League is dedicated to bringing all children quality music education. With a dedicated staff and volunteers, High Notes continues to fulfill its mission to **increase the access and standard of music education to students in grades 1-8 in the city of Mt. Rockmanninof.**

High Notes Music League's annual campaign fuels programs that improve the HNML's capacity to reach the youth of Mt. Rockmanninof. With **Your** help, High Notes Music League continues to carry out these and other important community music programs.

- ❖ **Summer Music Camp:** In partnership with the Mt. Rockmanninof Arts Council, full-day music camps provide opportunities in various musical disciplines. Past offerings have included Celtic fiddle workshops, drum classes, and a wind ensemble. New classes are added each year!
- ❖ **Dunn Teacher's Development Fund:** Named for community leader and philanthropist, James Dunn, this fund offers stipends to teachers seeking further professional development opportunities. Attending conferences and teacher trainings keep our instructors on the cutting edge of education and directly benefit the students in our programs.
- ❖ **Musical Instrument Drive:** As a community music school, we are continuously accepting instruments that are collecting dust in your closet! These instruments allow students who would not otherwise be able to study a musical instrument great opportunities for fun and musical learning.

Volunteers Welcome! Come participate in this fun and rewarding musical environment. Applications are available online at: [www.highnotes.com](http://www.highnotes.com) or at the office located at **1877 Emerald Street, Eugene, OR 97403**

All donations are tax-deductible.  
Distinguished Benefactor: \$1,000 and above  
Musician's League: \$500.00 and above  
Standing Ovations: \$200.00 and above  
Wall of Fame: \$50.00 and above

Thank you for the continued support of music for children in Mt. Rockmanninof!
